Silicon Valley School

At Silicon Valley School we are dedicated to provide holistic and progressive education in tune with the latest developments. Our practices are both reflective and responsive to the needs of our students and work towards discovering their full potential.

Situated in a calm & serene ambience with lush green trees and plants, a safe and caring environment that induces a feeling of peace and serenity, which we believe is just the right space where young minds are happily comfortable to enjoy the process of attaining knowledge and get prepared for tomorrow.

About Us

2 Decades of Quality Education

The Vidyasagar Educational Trust was founded by Mr. K. E. Ch.Vidyasagar B.A., and Dr. Mrs. Manorama M.A, PG Dip in Education who have been in Educational Field for more than 25 years. The Trust was registered on 9th of June 1999. The Trustees are educated intellectuals holding high positions in society. The founders opened SILICON VALLEY SCHOOL as there was a lack of quality education in the semi-urban area of Bangalore city which consists of Population from the middle class level who are migrants from other states or people pushed form city to the extensions due to higher cost of living etc., We wanted to cater to this section of the society. Having started with just 7 students, we have grown to 500 students in 2 decades.

The school has continuously grown in all respects i.e Infrastructure - wise and Academic excellence . The school is proud of having experienced, qualified and passionate teaching staff. The school conducts co-curricular activities, sports activities, community service, field work etc throughout the year. The interactive Teaching Methodology of the school and consistent 100% results in the Board Examinations has earned good name. Our students shine in various intra-school and inter-school activities. **The school obtained permanent affiliation in 2015 by ICSE board affiliation number being KA-196** and has implemented the ICSE rules and regulations and syllabus as per the Council Standards. The school has incorporated Employee Welfare Schemes and social responsibility Schemes through giving free Education for needy poor children every year, cash awards and scholarships for merit students. School has also incorporated RTE act, includes 25% free and compulsory education.

Vision

To establish a school which shall commit entirely to the cause of providing Quality Education for the Social and Intellectual upliftment to enable the child to become a dependable and independent citizen of the Country.

Mr. K. E. Ch. Vidhyasagar
Founder Secretary & Trustee

“Vidhyasagar Education Trust is devoted entirely to the cause of providing quality education, which is very much necessary for the social and intellectual upliftment of the child to enable him/her to become a dependable citizen of the country. I welcome you into this temple of learning and make your child life enriched with joys of life and empowered with knowledge”.

Dr. Mrs. Kalluri Manorama (MA, D.Litt)
Chairman

Mrs. Mahima (MBA in Product and Brand Management - IIM)
Director Administration

Mrs. Sagarika (MS, PG-Singapore)
Director Academics

Our Staff

We believe that excellent teaching can excite, enthuse and inspire students to achieve great things in life. Our team is fully committed and aim to provide opportunities for all students to develop and demonstrate excellence in their gifts and talents. We sincerely appreciate the extra effort they all put in for the welfare of the students. Our teachers are XSEED trained & go through frequent teachers training workshops to keep updated on the present trends.

Academics

The school follows the Indian School Certificate Examinations (ICSE) pattern. The medium of instruction is English. The other languages covered are Hindi as II Language and Kannada as III Language. Core subjects are Mathematics, General Science and Social Studies. Environmental study is part of our curriculum. The students are given opportunity to learn and co-operate with each other through "Self Study Groups" constituted with the supervision of the teachers. Social skills are given importance. Respective professionals in the respective field handle the activities of students.

We are giving additional importance to Extra curricular and Co-curricular activities like Karate, Sports, Cricket, Phonics, Art & Craft, Drawing & Colouring, Yoga & Music, Shlokas, Prayers, Bhagawadgeetha.

Montessori and Nursery

We have incorporated the best of both the methodologies in different section of pre-primary education and teach language in the phonic methods, Maths and E V S in activity method and a separate Montessori lab is set up to teach the basic concepts.

Infrastructure

The school building comprises of 3 storied structure with all modern full-fledged infrastructure. The building is divided into Administration block, Nursery block, Primary, Middle and High school. There are 26 class rooms with separate toilets for girls and boys in each floor. Every floor has fire extinguishers and CCTV's installed for regular monitoring. Each floor is covered with Iron grill as part of safety measure.

The school provides safe Aqua guard drinking water and furniture are suitable for the age of the students. All the classrooms have fans and ample lighting. 10 classrooms have digital classroom facility to enable digital education.

Lab's

There are separate labs for Computer, Physics , Maths, Language , Biology and Chemistry. A Computer Lab that consists of 18 computers with internet facility and relevant software installed. A separate language lab is set up to teach English.

Powered by
XSEED FOUNDATION
FOR
LIFE

Recognised Globally as Innovators in Education, XSEED is a proven and research based academic program for schools that builds thinking skills & problem solving confidence in children. XSEED children ask more questions, can write in their own words, like doing word problems in mathematics, can complete their homework on their own, are not afraid to speak-up in English, persist longer in solving problems, and score well on tests.

We believe that Skills are built through repeated experiences of trying things on one's own, failing, getting feedback and then trying again in order to succeed. This can be best instilled in the formative years between 3 and 13 when the brain has the maximum flexibility to adapt and learn. However, learning is a journey that must continue life-long.

"SILICON VALLEY SCHOOL" APP

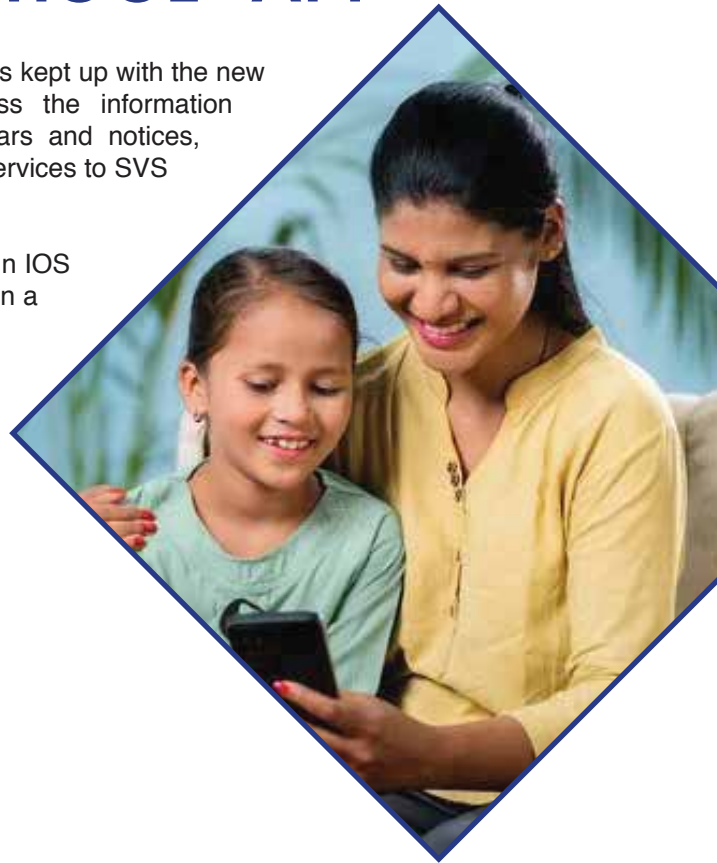

As internet has become a part of day-to-day life, SVS has kept up with the new technology and innovation. Now parents can access the information regarding children's progress, homework, other circulars and notices, happenings at SVS, etc. online from any place. Online services to SVS is provided by Nirals.

APP is available in Android and will be shortly launched in IOS and other platforms. Every child after joining, will be given a Username and Password to login.

APP Login assistance and explanation will be provided by the school staff for all parents.

The App enables parents and students to view

- Daily home works
- Every day activities and events
- Student Mark Sheets
- Bus tracking system
- SMS and Notifications
- Pictures, Videos and Albums
